# WHY BECOME A PILOT

Explore The  
WORLD

*As an international airline pilot, visiting new countries becomes a part of your weekly routine. Command the cockpit while exploring new cities, cultures, & enjoying the world's best views.*

Beyond Flight  
SKILLS

*Pilots gain invaluable decision-making, leadership, & management skills that benefit all areas of life.*

Global Pilot  
SHORTAGE

*With a global shortage of pilots, there's never been a better time to pursue this career. Boeing predicts that by 2035, the industry will face a shortage of half a million pilots.*

Prestige And  
PROSPERITY

*Pilots are among the highest-earning professionals, with international airline captains earning INR 1 Cr. - 1.5 Cr. annually.*

Passion Meets  
PROFESSION

*For pilots, passion drives their career. The thrill of flight is renewed every time they take to the skies, making it a unique blend of career and passion.*
